## Parent Volunteer Organization Information Form

Welcome to Priority Charter Schools! We are excited that you are here and look forward to a great year! We hope that not only will your student find their place here, but you will as well. To encourage parental involvement and support, each campus is creating a Parent Volunteer Organization (PVO). In order to protect our students we ask that all parents/guardians/family members seeking to volunteer, first complete the Criminal History Consent Form. This information will be viewed only by PCS and campus administration staff and will be held in strictest of confidence. To serve in one of the many opportunities in support of PCS students, please complete and return this form. All completed parent/guardian/family member forms will be stored and protected by the school. The Parent Volunteer Organizer will get in contact with parents/guardian/family members and the PCS staff in an effort to fill all possible volunteer opportunities. We discourage volunteering in your child's classroom since this will create a disturbance in your child's learning environment. Please take a moment and fill out all the required information below and check list showing area of interest. Thank you!
