

## District Mission

The primary mission and vision of Priority Charter Schools is to implement a public charter school in partnership with parents and the community that offers a multicultural, safe and friendly environment in which students can successfully learn basic skills and core academic content, develop and demonstrate their special talents and gifts, and develop social competencies that demonstrate citizenship and character.

## PCS-Killeen Vision Statement

Our vision is to be a leading educational institution that prioritizes safety, academic excellence, and the holistic development of every child. We strive to cultivate curious, confident, and compassionate learners who are prepared for success in both school and life. By promoting citizenship, leadership, and a love of learning, we seek to shape future leaders who are equipped to make meaningful contributions to their communities and the world.

## PCS-Killeen Mission Statement

We are committed to providing a secure and enriching educational experience that prioritizes the academic, social, and emotional development of every student. Our mission is to deliver a high-quality, comprehensive education that inspires a love of learning, encourages creative problem-solving, and promotes good citizenship. By fostering a culture of respect, inclusivity, and personal responsibility, we aim to equip our students with the skills, values, and knowledge they need to excel academically and contribute positively to society.

## WHAT IS A SCHOOL COMPACT?

A school compact is a written agreement between a school, its parents and students. The compact provides strategies to help support students' success in school. This compact outlines what each stakeholder can do to assist in making a connection for the student between home and school

Priority Charter Schools-Temple staff, along with parents and students, developed this compact. Feedback from surveys, input at meetings, and an evaluation of current parent involvement practices were considered. Meetings are held each year to review the Compact and make necessary changes. Parents are welcomed to contribute comments at any time.
