Principal: Veronica Maxey

Dear Parents/Guardians,

Welcome to the 2024-2025 academic school year!

As we embark on this exciting journey together, I am thrilled to begin my 16th year in education. Over the course of my career, I've had the privilege of teaching at the elementary, middle school, and high school levels. My most cherished role to date was serving as a Special Education Coordinator, where I supported students in their transition to adulthood and helped them navigate their unique paths to success. Those experiences have shaped my vision.

I am excited to announce our theme: **"Unleashing Your Extraordinary."** This motto captures our goal for every student and staff member: to tap into their full potential and embrace their individuality. Whether in the classroom, on the field, or within the walls of our school community, we will work together to foster growth, creativity, and a commitment to excellence.

This year, I am focused on a few key goals, Empowering Students, strengthening collaboration and fostering an inclusive community.

We also encourage parents and guardians to get involved. Your support—whether in the classroom, at events, or through your unique talents—makes a lasting impact on our school. If you're interested in volunteering, please don't hesitate to reach out.

Here's to a fantastic year ahead, filled with growth, exploration, and the unleashing of extraordinary potential!

In your Service,

Veronica Maxey
